I relocated To Alaska 12/11/07 for other purposes. Since non-funded; resided at Brother Francis Shelter, Client were abrasive and unruly, so it was a difficult transition for me. Case manager Ronnie tried prepping me to seek mental health care, I told her it was against my HUMAN Rights to keep harrassing me on issue, Case manager Eric called Police. Police indicated c.m. Eric said I "beat up all Brother Francis staff, (invalid) but refuses to press charges and just wants me escorted of property for the night. Police said I can go up to sidewalk or they can transport to family/friends. I said to just take me to emergency room. He wanted my bag in trunk, but SQUAD CAR had to many contraband bags in it. So it remained with me. He stole a Psalmlog of my families, And A family Prayer book. Placed me in handcuffs touching my person. And transported to back of Providence Hospital. Dispatch said "DO NOT proceed in that address, not valid address to E.R. WAIT" Police officer said "I don't have time for this SHIT" And moved unto garage and released me to their staff.

Claim 2: The following civil right has been violated:

(e.g., due process, freedom of religion, free speech, freedom

cruel and unusual punishment

Now in Providence Hospital, I was asked to remove clothes (or camera) a move to the tinted glass observation window. I declined. I was trying to leave and the staff called Security, All exists were locked and they would not let me have my belongings and went threw them all. Several men came into room with a "Shot" I said "Do not give me anything, without blood test you could kill me with wrong dose" They all grabbed me picked me off the ground, slammed me on observation table, jumped up, put Kneess on my arms and legs, spread eagle, restrained me in straps that way and gave me the unknown shot (injection anyway) I fell unconscious immediately-

I could not get them off of me. I have a severed bone in my left clavical from prior injury.

Claim 3: The following civil right has been violated:

(e.g., due process, freedom of religion, free speech, freedom

Cruel and Unusual Punishment

Supporting Facts: (Briefly describe facts you consider important to Claim 3. State what happened clearly, in your own words. DO NOT cite legal authority or argument. Be certain to describe exactly what each defendant, by name, did to violate the right alleged in Claim 3. Include dates.)

I awoke at a unknown location and felt to tired (cloudy) to move. Nobody would tell me who they were or where they were. I went back to the room and noticed I had been stripped of all clothes and undergarments and in hospital attire. When I woke to question staff again they said I have to take my "Lithium" medicine. I never seen a Doctor, nor has any court Judge "mandated" Diagnosis or medication to me. So I refused, but complied with blood draw. I found out I was at Alaska Psychiatric Institute and will remain after court releases me. Blood Draw showed no chemical imbalance to constitute mental illness diagnosis or medicating. But staff Diagnosed I was bi-polar, Schizophrenic and Delusional. They gave me this Diagnosis while unconscious and lithium while in unconscious Sedated state. Never Did I speak while asleep.
